RAB 2004-4. This Revenue Administrative Bulletin (RAB) establishes the annual rate of interest due on underpayments and overpayments for the period beginning on January 1, 2005, and ending on June 30 2005.

A daily rate of interest of .0001428 based on an adjusted annual rate of 5.2% will be added to a tax deficiency or an excessive claim for the period stated above. The effective annual rate of 5.2% was established pursuant to section 23(2) of the Revenue Act, MCL 205.23(2), at one percentage point above the "adjusted prime rate" charged by three commercial banks to large businesses.

The rates of interest as announced in this RAB also apply to overpayments as added under MCL 205.30(1) for periods after March 31, 1993. The rate of interest for periods prior to April 1, 1993, remains at the annual rate of 9%.
